The Sell 'n STAY™ Program has been slowly growing throughout the GTA and more and more homeowners are deciding to be part of it. It gives them a sense of security knowing that they can live the rest of their lives in the comfort of their homes, while enjoying the benefits of converting their homes' equity into cash. Different from a reverse mortgage, this program involves the complete sale of your home in order to access 100% of the equity. You can then lease it back either short or long term. This program can also be used for your vacation home in Canada or the US. For more information about the program, contact me directly at 647-298-0997.
